## VET Delivered to School Students Teacher Enhancement Skill Set

### Duration

4 day workshop plus self-paced activities

### Entry Requirements

Yes

### Delivery

Live Class or Blended Learning

### Accreditation

This is a nationally recognised skill set derived from a qualification

The TAESS00024 VET Delivered to School Students Teacher Enhancement Skill Set has been specifically designed to encapsulate the knowledge and skills essential for qualified teachers to transition to VET trainer/assessor. This skillset is recommended for experienced secondary teachers who intend to train and assess VET qualifications without supervision. Individuals who hold a qualification that enables them to be a registered secondary teacher can also complete this skill set.

All our TAE programs include access to face-to-face or live MS Teams classes, weekly evening homework club, monthly daily homework club and daily one-on-one phone support - we help you succeed!

### Who is this for?

This skill set addresses the skills and knowledge for qualified teachers delivering vocational education and training (VET) to learners in a school environment. It is specifically for existing secondary school teachers who hold a Bachelor of Education degree or higher, who require VET-specific knowledge and skills. Individuals who hold a qualification that enables them to become a registered secondary teacher can also complete this skill set.

## What You'll Learn

When you finish this Skill Set, you'll be able to:

- Work in the vocational education sector
- Design and develop learning plans for vocational training
- Use nationally recognised training products and link learning to standards/benchmarks
- Assess competence
- Participate in assessment validation

## Career Opportunities

This course is designed for people interested in developing their capacity to be a vocational education teacher in a secondary school environment or TAFE / Private Registered Training Organisation.

## Delivery Options

Check each course option below as not all delivery options apply.

### 1. Live Class

- i) Group workshop with a trainer to support and guide you through activities. Ask us for scheduled course dates at locations convenient to you.
- ii) We can also come to your workplace and deliver a customised program to meet your workplace needs (Minimum numbers apply. Contact us to discuss your particular needs).

### 2. Blended Learning

This is a flexible and efficient way to complete your qualification. It may include live classes, online study, self-paced activities and webinars.

### 3. Online

The entire course is offered electronically through our Learning Management System and BrainstormRTO immersive learning environment.

### 4. Recognition of Prior Learning

Recognition of Prior Learning is the process that is used to recognise the skills and knowledge you have acquired through personal and work experience - the "University of Life". The evidence you provide is matched to a complete qualification where possible or alternatively, to part of a qualification. A successful RPL application means that you could receive certification without further study or may be able to fast track through a qualification. Please contact us to organise an individual assessment of your current knowledge and skills.

## Duration

You have 12 months from course commencement to complete this skill set.

## Entry Requirements

- Hold qualifications that enable the participant to obtain teacher registration in their State.
- Demonstrate vocational competency in your proposed training and assessing area. Vocational competency is defined as broad industry knowledge and experience, and may include holding a relevant qualification.
