Accreditation

This is a nationally recognised qualification

If you are an experienced professional in your field and want to share your expertise, becoming a Vocational Trainer and Assessor may be the best decision you ever made.

TAE40122 Certificate IV in Training and Assessment will equip you with the skills and knowledge to design and deliver effective training programs, assess learners' performance, and evaluate training outcomes. You'll be able to work in a variety of settings, including vocational education and training (VET) institutions, workplaces, and community organisations.

The TAE40122 Certificate IV in Training and Assessment is designed to be flexible and accessible. You can study online, in-person, via live MS Teams and self-paced full-time or part-time. You can even choose specialist streams with electives to match your current situation or aspirations. We offer two distinctly different streams - Online Trainer and Workplace Trainer.

Programs are delivered by experienced trainers and assessors who will provide you with unlimited support throughout your learning journey no matter which delivery option you choose.

Our TAE programs include access to live MS Teams or face to face classes (currently in Brisbane South but we can come to your location upon request), homework club and personalised one-on-one phone and email support with one of our local trainers - we will help you succeed!

Who is this for?

This is an ideal qualification for **experienced professional, tradespersons, and workplace trainers** who are inspired to share their knowledge and skills with others in a workplace or wider VET community.

This qualification, or the skill sets derived from units of competency within it, is also suitable preparation for those engaged in the delivery of training and assessment of competence in a workplace context, as a component of a structured VET program.

What You'll Learn

When you finish this course, you'll be able to:

- Work in a vocational education environment
- Work within compliance frameworks
- Use nationally recognised training products
- Design and develop learning programs
- Plan and organise training delivery
- Link learning to standards/benchmarks
- Facilitate vocational training to groups and individuals
- Evaluate the impacts of learning programs
- Utilise learning resources and equipment
- Use foundation skills resources, strategies and advice
- Demonstrate and practice innovative delivery and assessment processes
- Assess competence
- Participate in assessment validation

Career Opportunities

This course is designed for people interested in developing their capacity to be an:

- Enterprise/workplace trainer and assessor
- Registered training organisation (RTO) trainer and assessor
- Training adviser or training needs analyst
- Vocational education teacher
- Adult educator

Entry Requirements

- Demonstrate vocational competency in your proposed training and assessing area. Vocational competency is defined as broad industry knowledge and experience and may include holding a relevant qualification.
- At Blueprint, our TAE40122 courses allow students to complete their assessments without the need for access to a VET training environment or a qualified mentor. By attending our classes, our experienced trainers take on the role of mentor, guiding you every step of the way.
- Students who choose the Workplace Trainer stream will need access to a workplace but not necessarily an RTO.

Delivery Options

Check each course option below as not all delivery options apply.

1. Live Face-to-Face Workshops

Fully structured and supported series of 10 Face2Face workshops at our Shailer Park training rooms. We can also come to you for group bookings (minimum numbers apply - contact us to discuss your particular needs). Students complete most assessments in a classroom with the guidance of an experienced trainer.

This option requires students to access a suitable practice environment and a workplace supervisor to conduct training facilitation sessions.

Students can select and pay for specific live classes to complete training facilitation. Cost for additional 3 days Face2Face workshops at our Shailer Parker training rooms is \$650.

2. Online Interactive Class & Self-paced Work

Flexible combination of 8 Online Interactive full-day classes. This option requires students to access a suitable practice environment and a workplace supervisor to conduct training facilitation sessions.

Students can select and pay for specific live classes to complete training facilitation. Cost for additional 3 days Face2Face workshops at our Shailer Parker training rooms is \$650.

3. Recognition of Prior Learning (RPL)

Recognition of Prior Learning is the process that is used to recognise the skills and knowledge you have acquired through personal and work experience - the "University of Life". The evidence you provide is matched to a complete qualification where possible or alternatively, to part of a qualification. A successful RPL application means that you could receive certification without further study or may be able to fast track through a qualification. Please contact us to organise an individual assessment of your current knowledge and skills.

All delivery options require students to complete self-paced activities after attending classes.

All delivery options include 24/7 access to our Learning Management System, Simulated RTO (Brainstorm) and recorded videos. Homework Club, tutorials and individual support calls are also included.
